Reaching Out

Twice a year, HOL children are reaching out to local orphanages, poor children, and street children. The children take needed school supplies, food, and a few extra treats to children in their community who are less fortunate. They raise funds for these projects by washing motorbikes and selling crafts they make. We match their funds to help support their efforts.

\$150.00 per year each home

About Homes of Love

Homes of Love partners with local Christians in Southeast Asia to establish and maintain small family-structured homes for orphaned and at-risk children.
